MUNICIPAL COURTS

Analysis of 1983 Activity

Each of the 828 municipal courts operating in Texas cities during 1983 was asked to submit a one-page monthly report to the Texas Judicial Council on activity in the court. Statewide, the Council received 7,052 reports out of a possible 9,936 for the year (71 percent).

Traffic Cases Dominate Dockets

In terms of numbers of cases, traffic cases comprised 91 percent of the cases filed in the reporting courts. A total of 5,855,107 traffic cases were filed in these courts during 1983. Non-traffic criminal cases accounted for the other 9 percent of the cases filed.

Of new traffic cases filed, 60 percent were for non-parking violations with the remaining 40 percent for parking-related offenses. Seventy-five percent of non-traffic cases filed were for state law violations with 25 percent related to local ordinances.

In the municipal judge's capacity as a state magistrate, the reporting judges accepted 45,652 complaints within the jurisdiction of the county courts and 20,282 within the jurisdiction of the district courts (felonies). A total of 715 examining trials (preliminary hearings of district or county court cases) were held, and 174 inquests, were conducted by municipal judges. Drivers license suspension hearings totaled 14,455. There were 6,027 search warrants issued and 78,332 defendants charged with county or district court offenses were given statutory warnings. In addition, 670 emergency mental commitment hearings were held and 5,555 matters relating to juveniles were conducted.

Municipal courts reported the disposition of cases in two major categories: prior to trial, including dismissals (other than those dismissed after completing a defensive driving course), and at trial. Eighty-six percent of all cases were disposed of before trial, 11 percent at trial (after an appearance before the judge) and 3 percent were defensive driving dismissals or dismissals following completion of deferred adjudication.

Looking at traffic cases only, 88 percent were disposed of prior to trial, 82 percent of the non-parking and 99 percent of the parking. Of the 12 percent that went to trial, 99 percent of the cases were tried before the judge alone and the other one percent before a jury. When traffic cases went to trial, the defendant was found guilty in 89 per-

cent of the cases tried before the judge alone and in 72 percent of the cases tried before a jury.

Concerning non-traffic criminal cases, 69 percent were disposed of prior to trial (67 percent of the state law violations and 79 percent of those relating to city ordinances), and 30 percent at trial. Of those that went to trial, 99 percent were before the judge without a jury. Guilty findings were made in 91 percent of the trials before the judge alone and in 62 percent of the jury trials.

The courts reported disposing of 5,151,938 cases, which is 80 percent of the 6,428,751 filed. Of the convictions, 79,552 cases were appealed from the municipal courts, a little more than 1.5 percent of the total cases disposed.

Reported Revenues Top $128 Million

Total revenue collected by the reporting courts during 1983 was $128,366,515. This revenue becomes a part of the treasury of the city in which the court has jurisdiction except for a court cost on each case which is remitted to the special funds of the State. In 1983, $14,269,928 was reported as being submitted by the cities to the State.

MUNICIPAL COURTS

Explanation of Case Categories

1. Traffic Misdemeanors. This category includes all class C misdemeanor violations of the traffic laws of Texas and other violations of laws relating to the operation or ownership of a motor vehicle.

Non-Parking includes all those violations which do not involve offenses for improper parking (for example, Speeding, Stop Sign, Red Light, Inspection Sticker, Driver's License, Registration, etc.).

Parking includes those offenses, by state law or city ordinance, which involve the improper standing of a vehicle (for example, Parking on Highway Right of Way, within an Intersection, Overparking, etc.).

2. Non-Traffic Misdemeanors. This category includes all other class C misdemeanor criminal violations.

State Law violations are those usually found in the Penal Code of Texas and associated state laws (for example, Public Intoxication, Disorderly Conduct, Assault, Theft under $20, Parks and Wildlife Violations, etc.).

City Ordinance violations are those non-traffic offenses found in the ordinances of the city (for example, Dog Running at Large, Plumbing Code violation, etc.).

CAUTIONARY STATEMENT

Perhaps more caution should be used in drawing general conclusions from court statistics than from statistics on other subjects. The included data do not attempt to portray everything courts or judges do, or how much time is spent on court-related activities not represented by these court statistics.

Particularly the county court judges, justices of the peace, and municipal court judges spend a large amount of time counseling with the people in their communities, and as a result of this counseling, many cases are not filed. In addition, as a result of their official position, many of these judges have non-judicial responsibilities in the community which are not reflected in these statistics.

For the past few years, there has been 100% reporting from the district and county clerks regarding the activity in the district and county courts of Texas. This has not yet been true, however, regarding justice of the peace and municipal courts. For this reason, it is important to note that reported totals for justice of the peace and municipal courts do not reflect 100% of the activity of those courts.

One final caution: because of the large number of courts in Texas and the huge volume of court activity, reporting errors are bound to occur. The staff of the Texas Judicial Council and the clerks of the court work closely to keep such reporting errors to a minimum. When errors are found after publication of an Annual Report, adjustments are made in pending case figures at the beginning of the following year.

Explanation of Case Categories

CRIMINAL DOCKET

A criminal case is defined as one defendant per indictment or information. For example, if an indictment names more than one defendant, there is more than one case; three defendants named in one indictment equals three cases. If the same defendant receives more than one indictment, even if for the same criminal episode, there is more than one case: the same person named in four indictments equals four cases.

Finally, if an indictment contains more than one count (Article 21.24, C.C.P.) only one case per person named in the indictment is reported. The case is reported under the classification for the most serious offense alleged.

The case-type categories, with abbreviation used in parentheses, are:

1. CAPITAL MURDER (CAP. MURD). Any offense under Penal Code Section 19.03 (Capital Murder).

2. MURDER OR VOLUNTARY MANSLAUGHTER (MURD OR VOL. MANS). Any offense under Penal Code Sections 19.02 (Murder) or 19.04 (Voluntary Manslaughter).

3. ASSAULT OR ATTEMPTED MURDER (ASLT OR ATT. MURD). Any felony offense under Penal Code Section 22.01 (Assault); any offense under Section 22.02 (Aggravated Assault), 22.03 (Deadly Assault on a Peace Officer), or 22.04 (Injury to a Child); or any offense of attempt (as defined in Section 15.01) to commit: Murder (19.03) or Voluntary Manslaughter (19.04).

4. RAPE. Any offense under Penal Code Sections 21.02 (Rape) or 21.03 (Aggravated Rape). After Sept. 1, 1983, any offense under Penal Code Sections 22.011 (Sexual Assault) or 22.021 (Aggravated Sexual Assault) where the victim is an adult (17 years or older).

5. SEXUAL ABUSE OR RAPE OF A CHILD. Any offense under Penal Code Sections 21.09 (Rape of a Child), 21.10 (Sexual Abuse of a Child) or 21.11 (Indecency with a Child), or, if the victim is younger than 17 years, any offense under Sections 21.04 (Sexual Abuse) or 21.05 (Aggravated Sexual Abuse). After Sept. 1, 1983, any offense under Penal Code Sections 22.011 (Sexual Assault) or 22.021 (Aggravated Sexual Assault) where the victim is a child (younger than 17 years), and any offense under 21.11 (Indecency with a Child).

CIVIL DOCKET

A civil case, as opposed to a criminal case, is not dependent on the number of persons involved in a suit. Each separate suit normally commenced by the filing of the plaintiffs original petition, defines an individual civil case.

The case-type categories are:

1. AUTOMOBILE PERSONAL INJURY/DAMAGES (AUTO PERS. INJURY) All cases for damages associated in any way with a vehicle (automobile, truck, motorcycle, etc.), with or without accompanying personal injury. Examples include personal injury, property damage, and wrongful death cases.

3. WORKERS' COMPENSATION (WORKERS COMP). Appeals from awards of compensation for personal injury by the Texas Industrial Accident Board. (Art. 8307, V.T.C.S.)

4. TAX. Suits brought by governmental taxing entities for the collection of taxes.

5. DIVORCE. Suits brought by a party to a marriage to dissolve that marriage pursuant to Family Code Chapter 3. (Annulments are not reported here, but under Other Civil.)

6. ACCOUNTS, CONTRACTS, NOTES (ACCT CONT NOTE). Suits based on enforcing the terms of a certain and express agreement, usually for the purpose of recovering a specific sum of money.

7. RECIPROCALS (RECIP). Actions involving child support in which the case has been received from another court outside the county or state. Includes Uniform Reciprocal Enforcement of Support Act (U.R.E.S.A.) cases.

8. CONDEMNATION (CONDM). Suits by a unit of government or a corporation with the power of eminent domain for the taking of private land for public use.

-Termination of Parental Rights
-Dependent and Neglected Child Cases
-Removal of Disability of Minority
-Removal of Disability of Minority for Marriage
-Voluntary Legitimation (Section 13.01 Texas Family Code)

10. OTHER CIVIL. All civil cases not clearly identifiable as belonging in one of the previous categories are included in this category.

JUVENILE DOCKET

COUNTY-LEVEL COURTS

Explanation of Case Categories

CRIMINAL DOCKET

A criminal case is defined as one defendant per information. For example, if an information names more than one defendant, there is more than one case: three defendants named in one information equals three cases. If the same defendant receives more than one information, even if for the same criminal episode, there is more than one case: the same person named in four informations equals four cases.

Finally, if an information contains more than one county (Article 21.24, C.C.P.) only one case per person named in the information is reported. The case is reported under the classification for the most serious offense alleged.

The case-type categories are:

1. D.W.I. OR D.U.I.D. An offense under Article 6701L-1, V.T.C.S. (Driving While Intoxicated) or Article 6701d, Section 50, V.T.C.S. (Driving Under the Influence of Drugs).

2. THEFT OR WORTHLESS CHECKS. An offense under Penal Code Section 31.03 (Theft) or Section 31.04 (Theft of Service) or any offense of theft or theft of service if the defendant obtained property or secured performance of service by issuing or passing a check or similar sight order for the payment of money, when the issuer did not have sufficient funds in or on deposit with the bank or other drawer for the payment in full of the check or order as well as all other checks or orders than outstanding. (Section 31.06, P.C. is also often cited in the complaint.) If the complaint is originally brought in the county court (Class A or B Misdemeanor), it is reported on Line 2. If the case is an appeal from a Justice of the Peace or Municipal Court (Class C Misdemeanor), it is reported on Line 3. Also including in Line 3 is an appeal of a case brought under Penal Code Section 32.41--Issuance of Bad Check.

3. DRUG OFFENSES. An offense under the Controlled Substances Act (Article 4476-15, V.T.C.S.) or the Dangerous Drug act (Article 4476-14).

4. ASSAULT. An offense under Penal Code 22.01 (Assault) or 22.05 (Reckless Conduct).

5. TRAFFIC. Violations of the provisions of Article 6701d, V.T.C.S. (Uniform Act Regulating Traffic on Highways) and related statutes, except D.W.I. (Article 6701Z-1) and D.U.I.D. (Article 6701d, Section 50).

6. OTHER CRIMINAL. An offense not clearly identifiable as belonging in one of the preceding categories.

CIVIL DOCKET

A civil case, as opposed to a criminal case, is not dependent on the number of persons involved in a suit. Each separate suit normally commenced by the filing of the plaintiff's original petition, defines an individual civil case.

The case-type categories are:

1. AUTOMOBILE PERSONAL INJURY DAMAGES. All cases for damages associated in any way with a motor vehicle (automobile, truck, motorcycle, etc), with or without accompanying personal injury. Examples include personal injury, property damage, and wrongful death cases. Any type of driver's license suspension case, however, is not to be included in this category.

2. OTHER PERSONAL INJURY/DAMAGES. Cases for personal injury or damages not arising out of an event involving a motor vehicle. Examples include "slip-and-fall" cases.

3. TAX. Suits brought by governmental taxing entities for the collection of taxes.

4. SUITS OF DEBT. Suits based on enforcing the terms of a certain and express agreement, usually for the purpose of recovering a specific sum of money.

5. DIVORCE. (Applicable only for some County Courts at Law.) Suits brought by a party to a marriage to dissolve that marriage pursuant to Family Code Chapter 3. (Annulments are not reported here, but under Other Civil.)

6. OTHER CIVIL. All civil cases not clearly identifiable as belonging in one of the preceding categories are included in this category.

JUVENILE DOCKET

Juvenile cases are based upon petitions for adjudication of a child alleged to have engaged in delinquent conduct or conduct indicating a need for supervision (C.I.N.S.) as governed by Title 3 of the Texas Family Code.

PROBATE DOCKET

The number of probate cases, of all types, including mental health proceedings.
